## School for Professional Studies

Whether you're already a working professional looking to **advance** your career or a motivated individual looking to make a smart career **change**, there's never been a better **time** to enroll in a **Regis University online** program.

Classes are offered in an 8-week accelerated format, which allows you to finish a certificate in less than a year, and a master's degree in two! At Regis University, you will receive a relevant, career-oriented education that prepares you not only for tomorrow, but also for the rest of your **life.**
